

Your Online Will

Horizon Health's Online Will service will help you protect your family and your assets.

Create your own will online for free by using your legal and financial benefit from Horizon Health. The Online Will program enables you to select from several will formats and choose the one that applies to your personal situation and needs. Wills are state-specific. Online Will preparation is private and secure.

DO YOU NEED A WILL?

If you want to determine who receives your property and assets, and who takes care of your minor children, then you need a will. The resources are at your fingertips. You can:

- Choose the will format that best suits your needs and wishes.
- Build your own will.
- Download and print your will.
- Follow complete instructions on proper signing and witnessing to ensure validity.
- Note that your Online Will is fully guaranteed valid in 49 States (the one exception is Louisiana).

*It is suggested that you consider consulting with an attorney to be sure that you have taken the proper steps as it relates to your specific estate and personal needs.

HOW TO COMPLETE AN ONLINE WILL:

1. Login to the Horizon Health's website (www.horizoncarelink.com) and enter your company-designated username and password.
2. From the main menu, select "My Benefits". Click "Legal & Financial Services" in the drop down menu.
3. Select "Legal Tools" and register by creating a username and password (this will be unique to you and not accessible to anyone else). Do not enter your company username and password in this section.
4. Under the "Wills" heading, select the appropriate format (there are six variations of wills and three additional legal planning documents available).
5. Complete the questionnaire and click on "Submit."
6. Under the "My Documents" header, click on view, print, and other instructions to continue the process. This will allow you to view your will and will give you instructions for making the document legal in your state.
7. Other documents are available and can be found under the header "Other Related Documents."
