

Rooms Available at the John Taylor Conference Center

The Imagine! John Taylor Conference Center can accommodate up to 125 people, depending on the room layout.

The room can also be divided into three separate meeting rooms:

The Tom and Betty Eldridge Conference Room has space for 20 people. This room is best suited to round table gatherings. This room has windows on three sides and is light and airy but not ideal for media presentations.

Imagine!'s Middle Conference Room has space for 20-40 people, depending on the room layout. This room has a few windows that do not interfere with media presentations.

The Walt and Linda Pounds Conference Room has space for 60+ people, depending on the layout. This room has no windows so is ideal for media presentations.
